

Republic of North Macedonia

Macedonian Anti-Poverty Platform

This project has received funding from the European Union's Horizon 2020 research and innovation program under Grant agreement No. 101033940

What was done?

Co-creation

9 capacity building activities
3 focus municipalities
1 region

Informing
decision-making

Participation

Learning

Design thinking

Biggest learning

- Transformation is possible only if community is prepared, included and engaged.
- Supporting dialogue between civil society, practitioners and local authorities is crucial for establishing enabling frameworks.
